Windermere Welcomes Janine Stevens

LA QUINTA, CA – February 23, 2013 – Windermere Real Estate Southern California is pleased to announce their recent association with Janine Stevens, husband, Jim, associate, Sally Cole and assistant, Michele Patterson. Janine and her team can be found at Windermere's La Quinta office located at 47-250 Washington Street. Janine is not only a proven leader in the local real estate industry, listing and selling in the top 1% of the properties in and around La Quinta; she is also one of the proud few that can be called a true local to the desert.

Janine grew up in the Coachella Valley and has been witness to its phenomenal growth and geographic changes. Attending high school in Palm Desert and advancing to the rapidly growing College of the Desert, Janine, like no other, can share the amazing history, growth and unique advantages of Valley living. Janine and her husband are full-time residents in The Hideaway Country Club where they are friends to many and the real estate professional by choice to its vast number of discriminating and affluent residents.

"We are extremely proud to now enjoy an association with Janine, Jim and Sally. Along with her vast knowledge through listing and selling in her neighborhood, Janine is also considered an expert in PGA West, The Citrus and The Tradition Country Club. Janine was the lead on-site agent in The Hideaway for more than three years and enjoys a vast knowledge of not only The Hideaway but its surrounding clubs as well," said Bob Deville, co-owner of Windermere Real Estate. "Janine's knowledge of the high-end luxury market throughout La Quinta combined with Windermere's proven leadership of listing and selling more than two-to-one of

every home over \$1,000,000 will solidify and complement Windermere's position as the leader in the Luxury Home Market."

Janine is a refreshing real estate agent to work with. Instead of boasting of her personal position as a Top Producer or Number One, Janine is known for her stellar reputation in the industry, an open and friendly working relationship with ALL real estate agents and always placing her clients as Number One. The largest compliment bestowed on an agent is respect and recognition from their peers. "In Janine's case, many of my Windermere Premier Director agents approached me and strongly encouraged me to reach out to Janine and her team in hopes they would join forces with Windermere," said Bob Deville.

"I am very excited to be working for Windermere, the number one real estate company in the desert. Windermere runs an impressive operation from their supportive, hands-on management to their top notch staff support and excellent marketing department, and I know we will make a great match," said Janine Stevens.

No one person creates a great real estate company. Camaraderie, team work, professionalism and dedication to the business serve as the catalyst for creating a positive and successful experience for Windermere Buyers and Sellers. Janine and her team working with the exceptional network of Windermere Agents is a wonderful fit, and Windermere looks forward to a long and productive association.
