Bob Bennion and Bob Deville Welcome Back Greta Mazeikiene

SAN DIEGO, CA – JULY 12, 2015 – Bob Bennion and Bob Deville, Owners of Windermere Real Estate SoCal, are proud to welcome Realtor® Greta Mazeikiene to the Little Italy office, located at 1742 ½ India Street in San Diego. Greta returns to Windermere SoCal after starting with the brokerage in Palm Springs in 2006, the year she earned her real estate license. Greta’s years of industry experience and desire to help others have established her as a highly sought-after agent in San Diego, including the communities of Hillcrest, Bankers Hill, Mission Hills, and Downtown. Greta also has strong ties to Europe and helps many European investors find the perfect properties in Southern California.

Greta brings a high-caliber level of service to each client, understanding and supporting the emotional aspects of homeownership and the home buying process. “They say ‘home is where the heart is,’ but I also believe your heart is where your home is,” she states. “For homebuyers, that is why it is very important to choose the right property and maximize the enjoyment of living in our beautiful city. My mission is to help my clients make the best decision possible and put their heart into the best home for them.”

Clients appreciate Greta’s genuine approach to service and authentic personality. “When you go through the real estate transaction process with

someone, it creates a strong bond because of the level of emotion invested. As a result, most of my clients have become my friends for life.”

As a “people person,” Greta enjoys the real estate profession because she gets to meet new clients and help them achieve real estate success. She believes in a strong level of communication, and works tirelessly on behalf of her clients. Adds Greta, “I make sure to research and present all of the available options so my clients can evaluate them and choose the right path.” Because of her commitment to thorough research and providing essential information, Greta’s clients give her top marks when it comes to satisfaction and have been a steady source of referrals.

Greta came back to Bennion and Deville’s Windermere Real Estate SoCal because she always felt welcome at the thriving brokerage. “I am very excited to return to my roots and honored to continue my journey here. This company cares about its agents as individuals, and offers the right tools for me to succeed, including an expansive network and increased exposure for properties,” Greta concludes.

Adds Managing Broker Kirk Gregor, “I am happy to welcome Greta back to our brokerage and am thrilled she chose to join our Little Italy office. Her commitment to service and producing results helped establish her popularity with clients throughout San Diego. We look forward to working with Greta and providing the support and services she needs to succeed.”
